

41st Annual Tournament of Friendship

Friday, July 21st, 2023

Wheatfield Valley Golf Course, Williamston, MI

The “**TOURNAMENT OF FRIENDSHIP**” is celebrating its 41st year in existence. Founded in 1982, the “**Tournament of Friendship**” has provided financial aid to many fine students while they were completing their studies at Michigan State University, Davenport University, and Lansing Community College, working towards their careers in Public Safety/Public Service. Your participation in the annual “**Tournament of Friendship**” golf outing allows us to award **\$18,000** in scholarships each year to several deserving young men and women.

The Tournament of Friendship aims to improve the quality of life in our communities by:

- Providing referral assistance to Public Service and Public Safety Agencies, aiding them in recruiting qualified, underrepresented persons for various career opportunities.
- Continuing to improve communication and understanding between Police Agencies, Fire Departments, Public Safety Agencies, and Communities throughout the state of Michigan.
- Encouraging the understanding and appreciation of cultural diversity in our communities.
- Providing an environment to relax, network and enjoy community friendship.

To assist the **Tournament of Friendship** in our mission, we ask that you please consider donations or sponsorships by you, your agency or association, in any of the following areas:

- “**Tee Hole Sponsorship**” - only \$100.00 per Tee Box/Hole Sign.
- **Prize Donations** (Gift Certificates, Apparel, Equipment, Sports Memorabilia, etc.).
- **Monetary Contributions** of any amount go directly (100%) into the scholarship fund.
- **Participate in the Tournament** for a mere **\$85** suggested donation/player. **Please consider rounding up to \$100. The extra \$15 will go directly into the scholarship fund.**
