

Thomas W. Wojciechowski (8/3/21)

Michigan State University
School of Criminal Justice
655 Auditorium Road
East Lansing, MI, 48824

5094 Bennett Road
Saranac, MI, 48881
(810) 338-8514
wojcie42@msu.edu

Education

University of Florida
Ph.D. Sociology, July 2018

University of Florida
M.A. Sociology, May 2016

Central Michigan University
B.A. Criminal Justice, December 2012

Academic Positions

Michigan State University: *Assistant Professor*, School of Criminal Justice; East Lansing, MI
August 2019-Present

Wayne State University: *Instructor*, Department of Criminal Justice; Detroit, MI
January 2019-May 2019

University of Michigan: *Lecturer*, Department of Sociology; Flint, MI
July 2018-May 2019

University of Florida: *Graduate Instructor*, Department of Sociology and Criminology & Law;
Gainesville, FL
August 2014-May 2018

Teaching Interests

Life-Course Processes
Quantitative Research Methods
Public Health and Criminology
Prevention Science

Research Interests

Substance Use and Abuse
Program Evaluation
Mental Health and Illness
Human Development

Grants and Fellowships

Data-Driven Public Health Strategies and Policies to Mitigate COVID-19 Disparities in Flint and Genesee County
August 2020-January 2021
Co-Investigator
Funding Source: Community Foundation of Greater Flint
Amount: \$5,100,000

Midwest Sociological Society Research Grant
April 2019-April 2020
Role: Principal Investigator
Funding Source: Midwest Sociological Society
Amount: \$1000

University of Florida College of Liberal Arts and Sciences Dissertation Fellowship
May 2018-August 2018
Role: Principal Investigator
Funding Source: University of Florida College of Liberal Arts and Sciences
Amount: \$7000

Explaining Racial Disparities in Covid-19 Deaths through Chronic Health Conditions at the Community Level: A Mixed Effects Modeling Approach

Intended Destination: The Lancet

Thomas W. Wojciechowski & Julie M. Krupa. Major Depressive Disorder as a Driver of Dual Systems Model Development During Adolescence and Emerging Adulthood Among Justice-Involved Youth: Is Salience Age-Graded?

Intended Destination: Developmental Psychology

Thomas W. Wojciechowski. Age-Graded Salience of Exposure to Violence as Predictive of Dual Systems Model Development: Examining Direct Victimization vs. Witnessed Violence

Intended Destination: Criminology

Applied Research and Work

Program Evaluation Associate: Michigan State University, East Lansing, MI

October 2018-August 2019

- Conduct qualitative and quantitative data analysis
- Coordinate qualitative and quantitative data collection efforts
- Conduct process and outcome evaluations of student success programs

Juvenile Competency Program Coordinator: Michigan Department of Health and Human Services, Lansing, MI

June 2017-October 2018

- Develop and oversee juvenile justice competency evaluation restoration programs contracts and services
- Develop and monitor contracts for competency evaluator training curriculum development and delivery
- Coordinate court and state stakeholder responsibilities and duties related to juvenile competency and restoration
- Survey instrument construction and survey data collection

Research Associate: OPUS Outpatient Mental Health Treatment Facility; Gainesville, FL;
January 2016- May 2016

-Constructed evaluation plan and evaluation instrument for outpatient mental health facility
contracted with Alachua County Court Services

Courses Taught

Graduate Level

Quantitative Methods

Undergraduate Level

Introduction to Criminal Justice

Criminology

Mental Health and Crime

Methods of Social Research

Deviance

Social Determinants and Treatment of Mental Illness

Introduction to Sociology

Awards and Accomplishments

2017 Gorman Graduate Student Paper Award, University of Florida (\$250)

Advising/Mentoring

Undergraduate Thesis Chair

Ashi Arora, Wayne State University, Department of Public Health, 2019

National Leadership and Service Record

Office of Justice Programs

Grant Application Reviewer: (April 2019-May 2019)

University Leadership and Service Record

Michigan State University

Learning Analytics Group: Member (October 2018-April 2019)

Student Success Assessment Committee: Member (February 2019-August 2019)

Student Success Data Analytics Group: Chair (April 2019-August 2019)

Restorative Justice Faculty Learning Community: Member (October 2019-August 2020)

School of Criminal Justice School By-Laws Committee: Member (August 2020-Present)

Opioid Prevention and Education Network-MSU (OPEN-MSU) Advisory Council: Member (April 2021-Present)

Additional Certification and Training

Michigan Juvenile Justice Assessment System (MJJAS) Administration Certification

-Certified to administer MJJAS recidivism risk assessment tool to juvenile offenders.

Ad Hoc Reviewer for Journals

Justice Quarterly, Journal of Criminal Justice, Drug and Alcohol Dependence, Journal of Life-Course and Developmental Criminology, Criminal Justice Studies, Acta Paediatrica, International Journal of Drug Policy, Substance Use and Misuse, Journal of Adolescence, The Sociological Quarterly, BMC Psychiatry, Journal of Clinical and Laboratory Medicine, Psychology and Psychiatry, Journal of Health Education Research & Development, Trauma Cases and Reviews, Advances in Environmental Studies, Psychology Research and Behavior Management, Journal of Public Health, Journal of Psychiatry and Mental Health, Journal of Emergency Medicine, Trauma, and Surgical Care, Journal of Obesity and Diabetes, International Journal of Family Business and Management, European Journal of Investigation in Health, Psychology and Education, Journal of Investigative Psychology and Offender Profiling, International Journal of Environmental Research and Public Health, Current Psychology, Children, Youth Justice, Violence and Victims, Deviant Behavior, Journal of Substance Abuse Treatment, Frontiers in Psychology, Journal of Forensic Psychology Research and Practice, International Journal of Mental Health and Addiction
